

## Jason S. Willis, MD

*Hematopathologist and Technical Director, Flow Cytometry*

Phone: 1.972.891.3746 | Email: JWillis@AmeriPath.com

AmeriPath North Texas

4770 Regent Blvd, Irving, TX 75063

Dr. Jason Willis is part of a team of pathologists at Ameripath Texas specializing in acute leukemia, lymphoma, myeloma, and other hematolymphoid malignancies. His team uses a combination of morphology, flow cytometry, cytogenetics, and molecular studies to provide patients and clinicians with timely, accurate, and actionable diagnoses. Dr. Willis lives in Dallas, Texas, is married with three children, and in his free time enjoys running, biking, cooking, and travel.
